Message from Miss Gibbs

What a lovely way to end the week, with everyone pulling together to help the PTA raise money for McMillian Cancer charity. Thank you for the donation of cakes and the monies given. This week saw the beginning of maths café with Year 3. Parents said they found this useful, seeing the methods used at school; hopefully this will help with supporting children at home. We are looking forward to next week with Year 4. The children and adults had a thrilling and exciting time on their school trip Thursday, building rafts and exploring. What an experience!

Do you have any of these games and could donate them to school? Our school councillors are going to be visiting elderly people in a care home and we would like to take along some games that they will recognise. We will label any games with your child's name and, at the end of the year, they will go into the wet play box for your child's class. Please give any donations to the Office - and please remember to say which child has donated them. Many Thanks!

After our very successful weekly school Reading cafes, we will now be starting weekly Maths cafés where you (as parents) can come in and look through your child's Maths work.

Teachers will also be showing you how we teach the four operations in school as it may be very different to the way you were taught when you were at school. It is very important to teach the children using the same methods to prevent confusion and help them to really master the skills.

The Maths cafés will begin at 9 o'clock and will run until 9:30am. Free teas and coffee will be available.
