Message from Miss Gibbs

Well done Owl class for taking part in Tag Rugby today! We are looking forward to hearing all about it later. From time to time there are occasions for appointments when your child needs to be collected early from school, please note that our assembly times are 2.45 - 3.05 if you need to collect your child before the end of school day please come before or after, as it isn't easy to find a pupil in a hall full of children in the same uniform. Have a lovely weekend!

Each term, we try to update you with ways that we can work together to keep your child safe online. The NSPCC have worked with parents, carers and children to find out what they feel about current popular apps that children are using.

You will find the link <https://www.net-aware.org.uk/networks/?order=title#> useful to learn about the risks involved. Please do take time to look up the link and to find out what children themselves say about the risks involved.

For example, one of the apps they looked at had the following risk assessment:

Maths café 9:00am until 9:30am.
