Message from Miss Gibbs

Wow, what an amazing week! We are well on our way with Christmas celebrations: our Nursery and Reception children have performed a lovely nativity for the school and their parents/carers. The children love performing to an audience and this could be seen too at our two brilliant church services this week. Well done to all our children, for their effort and good behaviour representing the school; thank you to all the staff and adults who helped. On Tuesday, we had a delicious Christmas dinner, the kitchen staff worked extremely hard and everyone enjoyed the festive atmosphere. Next week we have Christmas Jumper day, class Christmas parties and are finishing with a panto on Wednesday that the PTA organised for the school. We say a sad good bye to Mrs Ledgerwood, who is leaving Leverton to spend more time with her young family Mrs Halil, who worked in our After School Club has also left, to concentrate on other duties in her other roles in another school, we wish them both luck. As you know, I am expecting a baby girl at the end of January, I am hoping to carry on working up until then, so I will look forward to seeing you all in the New Year.

We are proud to announce we have achieved the Essex Healthy Schools Foundation Status. This reflects the learning of SMSC within the school and the healthy choices the children are making. There will be more to come and we look forward to sharing our ideas with you. Miss Dias

Each half term we will be asking parents/carers for feedback with a focus on a specific area. Please feel free to comment below and hand these into Reception if required. Thank you for your support.

One thing we are working on is our school dinner menu. This will be re-written by the school, with support from the Essex Healthy School team. We value your opinion so please give any thoughts below:
