## Message from Miss Gibbs

The year has gone by so quickly and we have come to the end of a successful year at Leverton. Our new behaviour policy has been a success and the children are enjoying being in team colours; it has brought our children closer together. Children have been receiving stickers and team points for all kinds of brilliant reasons; it is lovely to see how proud they are walking around the school. Each half term, I have been meeting the children who have received a green card and we have had hot chocolate or milkshake together. Yummy!

We have had lots of changes outside, thanks to the PTA and you, our parents and carers, for supporting at the many fantastic events this year - we cannot wait until next year. The event list will be coming out to you today; put the dates in the diary.

Over the past few months Year 1 and some year 2 children took their phonics tests, the Year 2 children took their KS1 SATs tests and the Year 6 children took their KS2 SATs tests. They all put in 100% effort, as did the staff in helping them achieve so much. Well done to them all, we are very proud of them.

Sadly, we have to say goodbye to our Year 6 children, who are moving on to their new secondary schools. It is a difficult time as many of them will be sad to go, but at the same time excited about their new schools. We wish you luck in Year 7 and we will look forward to hearing how you are getting on! The children were amazing in their Year 6 performance and I think we have lots of future actors and actresses.

We are also saying goodbye to Miss Verrier and Mrs Troshupa. Miss Verrier came to Leverton as a pupil and always wanted to work here one day. We wish her luck in her home move and new school. Mrs Troshupa has been working here at Leverton for 10 years now; she has worked in a variety of year groups and supported many children in her time here. We wish her luck in her next adventure. We will miss them both. Finally, we welcome Mrs Price, who will be joining our teaching team here at Leverton, I am sure everyone will make her welcome.

We are a family and community together at Leverton and we can continue to go from strength to strength by working together. I wish you all a great summer!

### TIMES TABLE ROCKSTAR LONDON ROCK WRANGLE

50 schools took part in the intra school times table competition on Friday 6th July. Lily, Adam and Mulkom represented Leverton Primary. Lily won the qualifying heats, entering the quarter finals in first place. The final four children battled it out in a 3 minute game competing against each other to win the ultimate prize of a helicopter flight. We are immensely proud of all the children who took part and Lily who came 4th in the competition. As a school, Leverton came 3rd on the leader board.

45 **bronze**  
certificates

4 **silver**  
certificates

**Class Champions**  
Swift

### MATHLETICS

On 31st August, Mr Davey will change all the accounts on Mathletics, so they fall in line with the children's new year groups. All children will notice that their gold bars will disappear and their green, ambers and reds will be refreshed. However, the weekly certificates WILL continue so please don't panic they have lost all their progress— they haven't.

If children are still getting bronze certificates every week over the summer, they will still be on their way to earning a gold certificate on return to school so please do keep playing over the summer!

The current official World Record for TTRockstars is as follows:

1 minute game—174 correct

3 minute game- 450 correct.

Words cannot describe how I'm feeling right now, but we believe we have a new **WORLD RECORD HOLDER** at LEVERTON school. Lily in Swift Class broke the 3 minute World Record this week with a huge score of 474 in 3 minutes.

Well done is just not enough.

Staggering! Unbelievable! Incredible!
