Issue No.10

Message from Miss Gibbs

What a week! A beautiful Remembrance Assembly performed by Year 6 on Thursday, the work they have been producing based around WW2 is amazing. They were so respectful in retelling key important points about WW2 and we are proud of their learning attitude this year. We were also really lucky to be able to invite Year 6 parents to watch, still with some restrictions, but my goodness what a lovely change for the children, to be able to perform in front of visitors. Thank you for all your donations to the Royal British Legion.

I am really pleased with the amount of parents who watched and took part in The2Johns webinar on Monday. It is a real insight to the online world our children are part of. Parents who took part will be entered into the prize draw for a £50 voucher. A special thank you to those who managed to see most or all of the webinar, which from the log in and log off times I can see were quite a few of you. We do have a link to the recording of the session, which is great for those of you who couldn't join us on the night; <https://youtu.be/uc4a3g8QQ1I>. This recording is available until the 5th Dec. Please encourage as many people as possible to view it, as we need to educate ourselves on the issues surrounding our children's online gaming and social media, at all ages.

We had our first netball match this week, against Hillhouse. It was a very exciting game and considering it was the first match they all played extremely well. The overall score was 5-5. We also had 30 children in Year 6 attend a Tag Rugby event this afternoon, well done to all who took part. Have a great weekend!
