

## TT Rockstar

Have you practised your Times Tables enough this week?

- Year 2 need to learn 2's, 5's and 10 times tables with division facts.
- Year 3 need to learn 2's, 5's, 10's, 3's, 4's and 8 times tables with division facts.
- Year 4 need to learn all times tables up to 12x12 with division facts.
- Year 5 and 6 need to revise their times tables on a regular basis to ensure they can apply them to other mathematical concepts.

## Mathletics

## Mathletics

Mathletics is a targeted, rewarding and captivating online learning resource, which is aligned to the new curriculum.

Extra Mathletics practice at home can make all the difference to your child's progress and achievements. Encourage them to achieve a weekly target of 1000 points to earn a certificate, building through bronze, silver and gold across the school year. Go for gold!

## Reading

Try to read everyday as it is enjoyable and will help improve your writing!

## Dates

Please check the weekly newsletter for up coming dates and key information.

# Summer Term Learning

## Year 3

## English

In English we will be looking at adventure stories and reading a range of poetry.

As we are learning about the Anglo Saxons we will also link this to Beowulf. We will continue to work on grammatical skills by using a range of punctuation, adjectives, adverbs, prepositions and conjunctions.

## Science

We will be identifying magnetic materials and their properties. We will also be looking at light and shadow and the difference between how light is reflecting on different surfaces.

## Maths

In Maths we will be covering fractions, telling the time in 12h and 24h format, mass and capacity and properties of shapes.

## Art and Design

We will focus on Antoni Gaudi sculpture and his sketches imitating his ideas, style, technique to create a sketch books to record our observations.

## Design & Technology

We will learn about Anglo Saxon dwellings and design, construct and evaluate a Saxon dwelling.

## History

By studying the Saxons, we will learn about the struggle for the kingdom of England. We will explore further Anglo Saxon invasions, Anglo Saxon religion, place names in the UK and also their laws and justice.

## Music

We will find the pulse, sing songs with multiple parts with increasing confidence. We will be using our voices and playing musical instruments.

## Geography

We will be using the eight points of a compass and build our knowledge of the UK, the local area and the wider world.

We will be using a range of methods, including sketch maps, plans and graphs, and digital technologies.

## Computing

We will learn about Algorithms and how to safely use the internet.

## Physical Education

We will be taking part in outdoor and adventurous activity challenges both individually and within a team, comparing our performances with previous ones.
